A promotional advertisement for ZOLA Cosmetics. The image features four diverse women of various ethnicities and hair colors (curly brown, long blonde, long black, and short pink) all holding and using ZOLA lip products. The women are dressed in simple, elegant attire. The background is a plain, light-colored wall. The text 'ZOLA COSMETICS YOUR TALENT INSPIRES' is overlaid in the center in a clean, white, sans-serif font. The ZOLA lip products are shown in various shades of pink and purple, with some women applying them to their lips. The overall aesthetic is modern and inclusive.

ZOLA COSMETICS
YOUR TALENT INSPIRES

A woman with long, wavy brown hair is applying a cosmetic product to her forehead. She is holding a small, pink, rectangular applicator with a white tip. The product is labeled 'ZOLA' and 'EYEBROW'. The background is a soft, light pink gradient. The overall image has a pinkish tint.

ZOLA

ZOLA EYEBROW TINT
NEW INNOVATIVE COLOURING SYSTEM

New word in the world of eyebrow dyes

A permanent dye that is gentle on hair and skin due to the new generation soft lye, DMAMP ULTRA PC, but gives a bright, lush coloring on hair and skin due to the increased amount of coloring substances.

Zola dye has a rich coloristic of 5 colors and an excellent care composition based on hydrolyzed collagen.

Comfortable texture, has two shades at the same time creating reddish-brown color. You can immediately see where you are applying the dye.

Handy, ergonomic 15 ml tube with an excellent pricequality ratio.

A rich color palette of 5 shades: light brown, warm brown, brown, dark brown, graphite. Beautiful universal shades, you can choose a shade for any type of appearance.

New generation gentle lye DMAMP ULTRA PC

Incredibly rich composition of paint, which includes hydrolyzed collagen, lanolin, sorbitol.

The unique lamellar structure of the paint. A new technology in cosmetic chemistry gives the texture of the dye maximum resemblance to the skin and its layers. This makes the Zola dye brighten the skin and effectively «delivers» into the epidermis with dyes and caring components.

01 LIGHT BROWN

A universal shade for blondes and blond-haired women, it does not darken the hair and has a unique coloring - on warm women it lays down a warmer shade, and on cold women - a cooler shade.

02 WARM BROWN

Perfect for redheads and warm brunettes, has a rich copper-brown hue.

03 BROWN

A versatile brown shade, it takes on skin tightly and will suit anyone who wants a neutral brown shade, from dark blondes to brunettes, brunettes and redheads.

04 DARK BROWN

Neutral dark brown shade, has a neutral base, suitable for brunettes, brown hair and dark blondes.

05 GRAPHITE

The cold graphite shade can be used on its own or as a color corrector. When added to brown, dark brown, light brown, you get cooler shades.

ZOLA Oxidant - The oxidant is specially formulated for ZOLA dyes - we recommend to use them in combination to achieve a superior color result and long lasting effects.

It contains 3% & 1,8% hydrogen peroxide, due to which the maximum saturation and brightness of the shade is achieved, but at the same time it acts softly without damaging the hair structure. The advantage of the creamy mixture is its economy and ease of use for the master.

FIVE INCREDIBLE COLOURS OF ZOLA DYE IN A SACHET.

- Small handy package.
- The sachets are easy to use and to take with, take up little space and require no additional packaging.
- Up to 15 treatments per sachet.

ZOLA Skin Color Remover - The product is designed to remove paint residue from the skin after coloring.

The consistency allows you to control the amount of product and get rid of even the smallest nuances. Thanks to its special composition based on raspberry ketones, it gently cleanses the surface of the skin without drying it out.

Raspberry ketone has a general strengthening effect, stimulates hair growth and prevents the signs of early hair loss.

DELICATE BLUE-BLACK PAINT 06

The innovative formula containing hydrolyzed collagen is designed specifically for the sensitive skin around the eyes. With our new product you will quickly get an expressive effect of eyelashes for a long time.

The color can also be used for eyebrows and mixed with other colors presented in the ZOLA color palette.
